

WFTS Members,

We have a BRAND NEW website! It is your one-stop place for all things WFTS Union! Need a copy of our contract? Want to order WFTS swag? Want to check out the minutes from the most recent liaison meeting? Want Contract Action Team (CAT) updates? It's all there (and WAY more!) to keep you up to date and informed!

Follow these simple steps to access the website and register for important "Members Only" information!

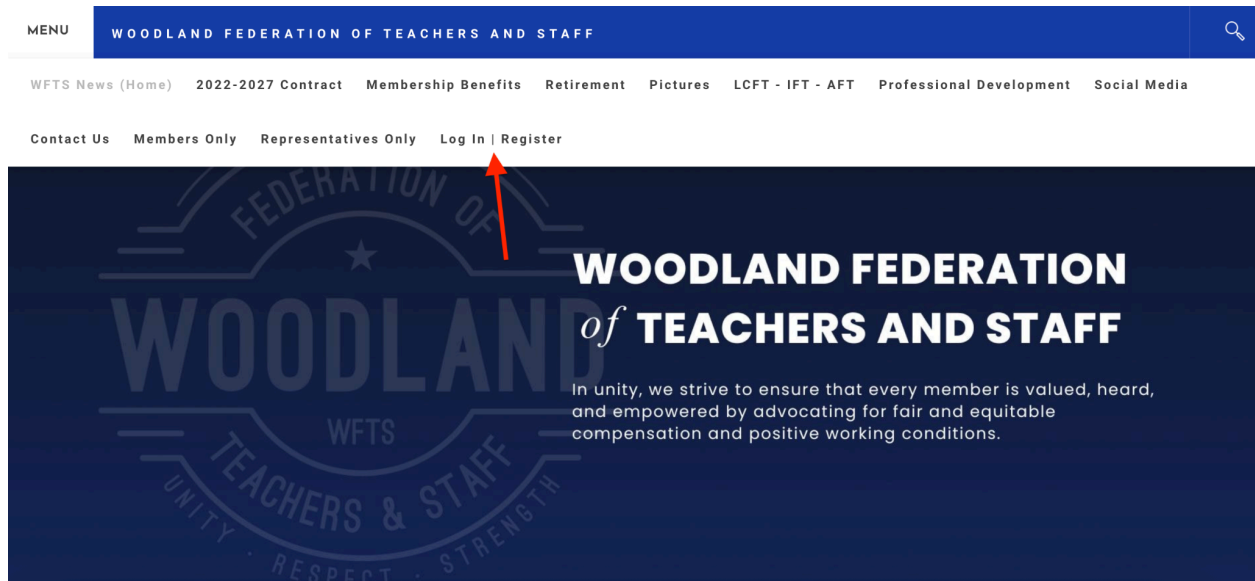

1. Visit www.wftsunion.com or scan the QR Code. (The website is optimized for viewing on a desktop/laptop computer)

2. Once you have the website open, click "MENU" in the upper left corner.

3. Click "Log In | Register".

4. In the pop-up box be sure "Register" is selected. Enter your full name (It says that it is optional, but it is not! You MUST enter your full name for your membership request to be accepted), enter your PERSONAL email address, create a password for your account, check the "I agree" box, click "Register".

A screenshot of a 'Log In | Register' pop-up form. The form has a white background and a dark blue title 'Log In | Register' with a close button (X) in the top right corner. Below the title are three input fields: 'Name (optional)', 'Email Address', and 'Password'. Below the input fields is a checkbox labeled 'I agree to receiving marketing and promotional materials *'. At the bottom right is a 'Register >' button.

5. Your membership request will be reviewed to ensure that you are an active WFTS member. Once your membership is approved (usually within 24 hours), you will receive an email to the address that you entered stating that your request for membership has been "approved".

6. To access "Members Only" content once your membership is approved, follow steps 1-4 again, but this time select "Log In" in the pop-up box when you get to step 4. Enter the email address and password that you used when creating your account to officially "log in" to view the "Members Only" section.
